三、閱讀測驗：12%

(Part A)

Work is an important part of life, but it can be a source of stress. Studies show that stress can be bad for our health. So, it's necessary (需要) to take care of ourselves while at work.

People often feel there aren't enough hours in a day. With a lot of work on your desk, taking a rest is

impossible. You need to find time to stretch(舒展) and relax during your work day. These extra minutes can give you a boost (激勵), so you can work much better.

Feeling under the weather? This is your body telling you to slow down. Going to work when you are sick will make your body more tired. It's hard to focus (專注) when your nose is running and you can't stop coughing. Stay at home and rest, or it'll take you longer to get better.

A balanced (均衡) work life will keep you energetic (有活力的). After all, we cannot put a price on our health.

30. According to the article, why should you NOT go to work when you are sick?

- (A) It's not safe to cough and work at the same time.
 (B) It's rude (失禮的) to go to work when you are sick.
 (C) When you are sick, you'll be crazy.
 (D) It'll make your body work extra hard.

31. What's the best title (標題) of the article?

- (A) Being Sick
 (B) Be a Healthy Worker
 (C) A Source of Stress
 (D) You Have to Work Hard

32. What does "*Feeling under the weather?*" mean?

- (A) Can't you feel the weather?
 (B) Is the weather hot?
 (C) Do you feel cold?
 (D) Aren't you feeling well?

(Part B)
